Woodland Ecological Network v1a

- Core Area
- Stepping Stone
- Stepping Stone Habitat
- 0 to 250 m Corridor
- 250 m to 3 km Corridor
- Core Area isolated at 3 km
- > 3 km Corridor

Kilometres  
0 1

*This is one of a series of maps which collectively comprise the Lancashire Ecological Network.*

*Core Areas may only support limited areas of woodland and may support other habitats within their boundary.*

*Features in the Study Area beyond the Lancashire boundary are shown for context only.*
